Where I live

The name of my city is _____.

It is in _____ County.

The population of my city is _____.

Mayor

Citizens vote in city elections to select the individuals that make city decisions. Voters often select city council members and a mayor. The mayor and city council work together to make decisions about how to run the city and how to best improve their community.

The mayor is a leader for the city and for the city council. The mayor talks to people who live in the community and to other government leaders to help solve problems.

People who work for cities have important jobs!

The water department provides clean drinking water for everyone.

Police officers keep people safe, direct traffic and solve crime.

Firefighters risk their lives whenever someone calls 911 to report a fire.

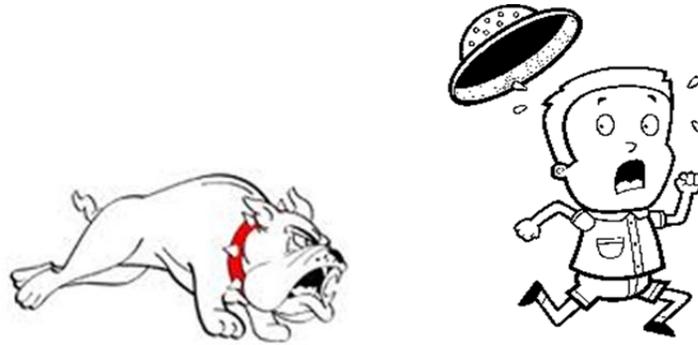

Laws

Cities establish laws to make our communities better places to live, work and play.
